LOCAL DEPARTMENT.

Mr. B. Best of Valley Falls, paid Meriden a visit this week.

P. J. Cunningham's son who was so seriously kicked by a mule is out of danger.

Chas. Myers of the firm of Myers & Brown, Real Estate, Topeka, recently paid our town a visit.

Wm. Smith has recently received the Meriden agency of the Standard Fire Insurance Co. of Kansas City.

Mr. J. W. Smith, of Oskaloosa, spent a week in Meriden visiting his sons Robert and Wm. and their families.

Mrs. W. Herron, while enjoying an excursion in the woods with her scholars last week was severely poisoned about the face with the ivy plant.

Mr. A. J. McNeil and daughter, of Brighton, Colorado, were guests last week, of B. J. Duncan and family. Mrs. McNeil is a sister of Wm. Cook.

The Meriden base ball club, instead of becoming inflated with pride over their numerous victories are becoming so modest they don't report their achievements of late.

The Meriden Roller Mills shipped two car loads of flour this week; one to St. Joseph, Mo., and one to Dubuque, Iowa. The mills received 1,000 bushels of wheat Tuesday.

Dr. England returned, last Tuesday from Oklahoma. The Dr. bought three lots in Guthrie, and filed a contest on a claim during his absence. He says Guthrie is a city ten years old in appearance.

The ADVOCATE while in the Falls last Saturday took a general round amongst the enterprising business men of that thriving place, and found some very fine stocks carried by merchants. Perhaps the busiest place visited was that of Deutsch Bros.—gentlemen of much amiability and a pleasant manner of receiving their patrons and visitors.

The dispatch from Atchison in the Topeka Capital of the 15th. inst. in regard to hydrophobia is badly off and about the worst mixed piece of news we ever read. It says three children named "Peobler" were bitten in Meriden and none of them yet developed symptoms, and that two children of Cook's were also bitten. Cook only has seven children, and as it is well known the only child of Peobler's who was bitten died of hydrophobia.

The Meriden Bank to be Opened in Thirty Days.

Otho S. Hueston, a prominent business man and capitalist of Clay Center, Kansas, will open the Meriden bank in about 30 days time. Mr. Hueston has had years of banking experience, is quoted personally in Dun's as worth \$20,000. He will also be backed by several men of large means. So Meriden will soon have a first class banking institution equal to any in the state in a town of our population.

Church Fair.

The Ladies' Aid Society make the announcement that they will hold a fair on the 13th. and 14th. of December, in Smith's Hall including a supper and concert. Full particulars will be published hereafter in the ADVOCATE.

Birthday Celebration.

Last Monday evening a large number of the friends of Miss Mattie Eastman, assembled at the residence of her parents, in honor of the 18th. anniversary of Miss Eastman's birthday. The evening was pleasantly spent; music being the predominant feature of the occasion. Refreshments were served in a bountiful manner. Those present were W. Gish and wife, Misses: Hattie Armstrong, Elsie Hedrick, Laura and Susie Groendyke, Lizzie Kentz, Lila Seals, Etta Case, Bertha Huntsberger, Rosa Potts, Lena McLallin, Ella Chacey, and Hester Otto. Messrs. Guy Swallow, John Kendall, Lon and Chas. Myers, Arthur Groendyke, Irve Quilken, David and Zeddie Seals, Frank Penwell, Wm. Tudor, Bart Hollingsworth and Chas. Jarrett. C. J.

Presbyterian Church Social.

On Thursday evening Oct. 22nd. the Presbyterian church society will give a mite social at the residence of Mrs. W. E. Smith a member of the society, to which all are cordially invited. On Thursday afternoon, Oct. 24th., the society will meet at Mrs. Glenn's at 3 o'clock. On December 20th. and 21st. they will hold a Priscilla at Smith's Hall which will receive a further announcement in the ADVOCATE.

Notice of Appointment.

NOTICE IS HEREBY GIVEN: that on the 10th. day of October A. D. 1889, the undersigned was by the Probate Court of Jefferson Co. Kansas, duly appointed and qualified as Administrator of the estate of Jared Ratty, late of Jefferson county, deceased. All parties interested in said estate will take notice and govern themselves accordingly. LUMAN BUTT, Administrator. 3t 11.

While at Valley Falls on Saturday we were introduced to Maj. R. H. Hendershot, "the drummer boy of the Rappahannock," who gave one of his inimitable entertainments at the Falls on that evening. The Major expressed a desire to visit Meriden sometime in the near future, and will notify the ADVOCATE when his engagements will permit him to do so. He desires to appear under the auspices of some of the Meriden societies, and it would be well for the Post and Ladies' Circle to make such preliminary arrangements as can be made prior to the announcement of the date, so as to be in readiness for so important an event. The Major's entertainment would properly come under the supervision of these societies and it will be of a character that will reflect credit upon those who may be instrumental in securing it.
